Dear Mr. Novak:

This is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2017-000651), dated March 2, 2017, in which you requested the following:

“A list of internet domains registered to the United States Agency for International Development (USAID), from September 1, 2010 to September 2016.”

Enclosed please find a spreadsheet that lists all domains that were active on September 1, 2010, through present. There have been no changes in the domains in the past 9 months. Some domains were activated and deleted during this period. The activation date and deletion date are both listed.

This completes our action on this FOIA request. Should you have any questions concerning this matter, please feel free to contact Mr. Lee Ellis, Gov Domain Program Manager, Office of Information Integrity, and Access at 202-501-0282 or by email at lee.ellis@gsa.gov. You may also contact the GSA FOIA Public Liaison, Ms. Audrey Brooks at 202-205-5912 or by email at audrey.brooks@gsa.gov for any additional assistance and to discuss any aspect of your FOIA request.

Sincerely,

Travis S. Lewis

FOIA Program Manager
